The Premises:

Met Alex in her hotel room on the outskirts of Oxford. Room was perfectly comfortable and washing facilities were very good.

I was offered and had a shower both before and afterwards. Parking was freely available. Follow Alex's instructions on entering the hotel and there should be no need to approach or even go past reception

The Lady:

Curvy Alex is exactly as she describes herself on her web profile. I'd say about 5.4 - 5.5 tall lovely natural blonde

hair and a deliciously sexy curvy figure. She has a sexy foreign accent though her English is excellent. Clearly an

educated lady who has travelled a good bit and is an absolute pleasure to be with. The price I paid for the hour (£90)

is a special offer that she has running up to Christmas (normally £120 and hour). Alex was my pre-Christmas punt and worth every penny!

The Story:

I had a fabulous time with Alex in her hotel room. She advertises as Curvy Alex and she is certainly curvy

in all the right places! She's a natural blonde with a naughty seductive foreign accent who certainly knows

how to entertain. From the minute I entered her room to the minute I left she was attentive, seductive and

downright deliciously naughty. Not a clock-watcher.

Alex is a fabulous kisser and very passionate with it. Her oral skills are brilliant

and her bareback BJ was sensational and very adventurous. She wore a white lacey off the shoulder short white

negligee (check her web profile pics) with white stockings and suspenders, no bra and no panties giving easy access

to her erect nipples (mmmm!) and trimmed pussy mound (mmmmm, again!). She is a good looking

woman and knows exactly how to entertain. We explored each other with tongues and fingers and gave each other mutual pleasure. Her BJ had me on the edge several times and my oral attentions to her delicious juicy clit and pussy had her moaning with genuine pleasure (not a boast, just an indication of how much Alex likes to be pleased!).

Sex (covered) was doggy style with her fantastic arse perched on the edge of the bed. When I finally came there was no rush and Alex was happy to chat and relax.

All in all, guys, Alex is a very welcome addition to the punting dessert that is Oxford. Confident, sexy, attentive and great company and very adventurous with a wicked tongue and a naughty glint in her eye! Alex, if you reads this, thanks for a great time and hopefully we'll be able to get together again in the new year. Tom.
