The Premises:

Just about acceptable.

The Lady:

died blonde hair with cheap extensions, pictures exaggerate her size and are heavily photoshopped. She is bigger than pictures with a round face and with a much older look. Dressed reasonably well.

The Story:

Called the agency to see whether there were any girls near Marble Arch and was recommended Diana, also Summer at City Butterflies. Nice girl but quiet and inexperienced and struggled with conversation. She did OWO but no CIM and crap DFK. She is a £250 girl at best. Too many average girls with silly prices these days.
