### The Premises:

Apartment in a apartment house. Clean and warm. Room with bath. Double bed with clean linen. Winding building. Hard to find the apartment.

### The Lady:

Nice, slim and tall woman. Nice small tits. Long legs, nice face, nice but. Nice skin.

### The Story:

I booked a Nuru massage. I called for the booking and arranged to meet with a friend, Nicolle, for a 4-hand massage as offered in the ad.

As I came, Nicolle was busy. Another woman opened the door and I had to ask for Emma.

I wanted to book a half hour, but she said, Nuru massage is only one hour.

The ad offered a "Sensual nuru massage". But this was not "sensual", this was a cold and mechanic massage.

After 30 minutes I had the "happy end" - and the massage ended at this point. My question for the full time was answered very unfriendly.
