The Premises:

As described previously. Front entrance on an main street, back entrance is also overlooked.

The Lady:

Blonde, nice body. probably a B/C cup, natural. Not too thin, certainly not chubby either.

The Story:

Nice friendly scouse girl, good fun, pleasant conversation.

Some kissing, oral without. Next I licked her pussy and ass for a short while.

Then I asked for a tit wank, which was just about possible as she hasn't got massive tits, but just big enough. Started with her on top of me, and then her lying down while I fucked her oiled tits.

Must have been good because after a while I shot a massive load all over her face. Unfortunately it was in her hair, in her (luckily shut) eyes, and all over her face. Well that was a sight to behold, and well worth the extra 30 quid!

Thoroughly enjoyed it and would definitely go back!
