The Premises:

Lovely place, clean and welcoming.

The receptionist was friendly and easy to talk to.

The Lady:

Oh, where do I start from?

Brianna is a true latino beauty! Stunning, fit, petite.

Olive skin, big beautiful brown eyes, perky tits, an AMAZINGLY FIT AND PEACHY ass and a perfect trim belly (you can tell that she loves going to the gym).

She was wearing matching leopard print underwear with black s&s.

Just ravishing!

She speaks a perfect English with a soft, beautiful accent.

The Story:

Brianna loves her job! She made me feel relaxed, wanted!

I didn't feel for a moment that I have paid for her company/services.

She is a skilled lover, a wonderful woman and a brilliant company!

Her highlights?

You can experience lust, rapture, passion and much more.

Her BJ is legendary: extremely deep, sloppy, eye contact, etc...

If you like sex that has got a personal note to it, Brianna is your girl!

I haven't given too many details as an experience like the one that I have just had should remain between me and her.

I left trembling and aching for some more of the sweet poison that Brianna has got me hooked on for sure!

Guys, treat her well, girls like her are too rare to be mistreated!
