The Lady:

Definitely the Girl in the Photos and is a very good looking well shaped young woman, beautiful smile and she makes you feel welcome and relaxed. She is completely relaxed in herself. You feel the sexual tension building as she chats with you while she is also flashing her panties from underneath a short skirt. She speaks English well with a cute accent.

The Story:

Nothing unlucky about visiting her on Friday the 13th this lady is keen and offers a superb ride; she makes the extra effort to give you the maximum. She gives a first rate DT OWO and is happy to be touched and fingered while she does it. She does an incredible reverse cow girl and doggie. However this lady is far more than a mix and match of positions she is total sex with great attitude, real VFM
