The Premises:

Very seclude. Open stairway to first floor. Meet by male receptionist who showed me showed to a vacant room and explained prices. Girls then introduce themselves, two girls working Lucy who is blond and Jennifer who is dark haired

The Lady:

Chose Jennifer as she looked stunning in black underwear, which she quickly removed to reveal a slim tanned stunning body, pert tits and an all smooth look.

The Story:

It was a bit of a strange punt as i had had a long day and didn't manage to cum. However Jennifer was very sweet and there was no feeling of being rushed. She has wonderful skills with her mouth and loved the feeling of taking her from behind.

One of the best punts I have had in a long time, shame I am not in Sheffield more often

A hidden gem of Sheffield
