The Premises:

Quality hotel in Kensington. Nice room.

The Lady:

A petite, brown eyed, brunette bombshell. Just as stunning as in the photos if not better. Big boobs (h) for huge which she knew how to use.

The Story:

A cliché, I realise, but I was blown away by her looks both metaphorically and literally after a quick shower. It's difficult to know what else to say. Great body, boobs, arse and legs. Proper curves but firm.

She made me feel like I was staring in my own porno. Definitely my top punt of 2014 and in the top 5 of the last 10 years. I can't rate this girl highly enough. Next year's bonus has a home!
