The Premises:

This first floor flat is located about a 10 minute walk from London Bridge station. It is right opposite a pub, but the entrance is discreet.

The Lady:

A latino girl with dyed blonde hair and dark roots. She is early twenties, a dress size 10 with 34B breasts and large, pink areolas.

She does have a lovely, shapely bum.

The Story:

I think Friday night is the busiest and Dany seemed keen to get the punt over asap. We started the session with covered oral, but there was too much pressure and it felt uncomfortable. She then climbed on top and really thrust away, gripping very tightly. I hung on and asked to switch to doggy. That was better because I felt more in control. My final request was a slow, handjob finish, but I had to get her to slow down a bit.

I think the flat is shared by other girls. I may try a different girl on another day. Dany is young with a nice, firm body, but she was a bit too hurried for me.
