The Premises:

As previously stated. This place is very basic.

Owner if you are reading this spend money on the place or lose customers. Everytime I visit its dreary and not welcoming. I have visited better places. Its the girls I keep coming back for but not if the place does not improve.

The Lady:

Jaydee is a Caribbean lady about size 16. Extremely friendly. Around 40 yrs

The Story:

Jaydee wanted me to take my time but I was in a hurry. No OWO on offer but A levels are and kissing.

We undressed after I reused massage, she held my cock and stroked it. she kept asking what I wanted and how i wanted it. She was so tentative and pleasing. Opted for covered oral and sex from behind. She said if I wanted to put my cock up her bottom it would be £30. I pushed my cock into her mouth and as it had grown bigger than she expected she said she will take as much as she can but don't think she could take it all, she did great and got most of it in. I was tempted when I bent her over to go for the Anal. I could see her arse hole and nealry went straight in there. But at last minute I went underneath to her wet pussy. I banged her a few mins then exploded my cum (covered of course. No rush to leave and very chatty. She talked dirty when I asked her to. Well worth the money. Just a shame the place is run down.
