The Premises:

Clean, modern flat close to the shopping centre with a secured entrance.

The Lady:

Gorgeous lady with curves to die for, showed them off perfectly in an elegant dress. Beautiful bosom which you can happily be lost within for hours should you wish.

The Story:

Chloe greeted me with a warm, passionate kiss (more than living up to her namesake) which immediately put me at ease. Paperwork out of the way, we continued with some amazing deep french kissing whilst slowly undressing each other. Onto the bed where we started to explore each others bodies lustfully, and Chloe certainly knows how to entertain a gentleman.

The hour flew by with more kissing coupled with some mind-blowing oral and a fantastic view of her gorgeous assets as she rode me. A particularly fond memory that will remain with me is Chloe lustfully urging me on as I gently slipped a finger into that gorgeous pussy of hers and brought her to a climax.

Chloe is a genuinely warm, interesting personality with whom you could quite happily chat to for hours. She provides an unforgettable experience for all of the right reasons and her reputation as a lusty temptress is richly deserved.
