### The Premises:

Debbies Massage is located in South East London very close to Annerley Station. Debbies is old school and I say this as a compliment as the two rooms are very clean, good shower facilities and the maids including Debbie herself look after you very well and make you feel very welcome and put at ease.

### The Lady:

Harlie is an absolute 'Godess' with long black hair and gorgeous eyes. She is in her late twenties with a figure to die for (that needs to be worshipped fully).

Great legs and bum that is very pert and fantastic tits that just need to be kissed and sucked, her pussy is nearly all shaved and needs exploring. Harlie is very friendly and puts you at ease straight away, she is like your gorgeous next door neighbour that you have always wanted to shag. What you see is what you get and thats exactly what I liked, a real GFE.

### The Story:

We started off by chatting and I felt that I had known Harlie for years, she completely put me at ease. When we finally got down to be romantic and physical I was so relaxed but also very horny as Harlie is a very sexy lady.

She does not wear much make-up, but does not need to as she is stunning. We started with a lot

kissing and cuddling and then I proceeded to kiss and fondle her excellent breasts until I could stand it no longer and went down to her gorgeous pussy and spent a lot of time licking and kissing it which Harlie enjoyed very much. She responded with reverse oral and after what seemed like an age we shagged in different positions and finished with me coming on top of her.

I will definitely be going back to see Harlie again and again she is so natural and friendly and I feel very special, an excellent punter and a very beautiful lovely lady.
