The Premises:

Tawny was on tour and her selected hotel in central London was safe and discrete.

The Lady:

She is a beautiful woman with striking features. She has dreadlock extensions, enhanced breasts, a cheerful smile and a number of piercings. The whole is certainly greater than the sum of the parts. Tawny has a body which is very fit firm and fuckable.

The Story:

I was soon on the bed taking off this beautiful woman's knickers. Tawny's cheerful conversation and close attention to my body soon had me ball deep in her mouth, with a condom. Her bj is great and i was soon on the verge. I requested and received 69 and her sweet cunt opened before my greedy tongue. I was in heaven and my cock and balls were being firmly massaged by tongue lips and fingers. We moved around the bed and talked whilst i fingered her very tight vagina and she played with me. Then back to 69 and an explosive spunk dump where i will leave to the imagination. 30 mins was too short a time and i will look forward to her return. The lucky folk of Newcastle have a gem.
