The Premises:

Premises are very pleasant and clean

The Lady:

Lauren was as described very desirable , lovely white skin , beautiful long black hair , cute butt and adorable face.

Sarah was just as gorgeous , a blonde with firm boobs and tight body . Both great attitudes .

The Story:

Long time user of establishment and a big fan . In recent years I have been mostly married to Alex but I do cheat on her occasionally with the other girls .

Today I wanted to treat myself to a Xmas bonk and I called in to see Sarah & Lauren for the first time . I was pleasantly surprised when I saw them and we all introduced each other

I told them I was looking for a double experience of getting fucked and fucking too . I started by getting down on Lauren s jussy pussy as Sarah was busying herself with

Getting my butt ready for a good fucking . In short I found myself sandwiched between them me on top of the lovely Lauren and Sarah with a strap on in my butt fucking me hard.

Sarah really knows how to use the strap on and she is excellent as dirty talk . Sarah is quite the find . As for Lauren I wanted to take her home she was so edible .

I recommend both girls and I left a very happy punter .
