The Lady:

Kara is a very petite - about 5" but has all the womanly curves you could want. Kara is in her early 30s & extremely pretty with long dark hair & a sexy smile. She has a lovely firm pair of breasts (34c), a gorgeous bum & is fully shaved.

The Story:

Third time lucky with Kara as our previous two bookings had to be cancelled. Once down to me & once because she was poorly. Plenty of notice given so no problem. Kara communicates very well. Kara arrived exactly on time looking lovely in tight jeans, low cut top & heels. She gave me a lingering kiss & a hug on entry to my flat & I discreetly handed over her fee.

I sat on the sofa in my living room wearing just my boxers & t-shirt. Kara proceeded to perform a very sexy strip-tease for me making sure I got an excellent view of every inch of her. When she was naked she turned around & bent over giving me a fabulous view of her arse & pussy.

She then kneeled in front of me & gave me the most fantastic uncovered blow-job. She is a real expert at this & seems to really get into it & enjoy it. She offered to let me come in her mouth but I was desperate to enjoy her pussy. She lay on the sofa with her legs wide apart while I licked & gently fingered her to orgasm - Kara gets very wet! By now I just had to fuck her so it was on with the condom & I enjoyed the sight of her sexy arse as I entered her from behind. She was tight & wet as I fucked her while she talked really dirty. Soon I could hold back no more & came really hard inside her.

Kara was then happy to kiss & cuddle while still naked until it was time to go. She is an absolutely fantastic girl who I shall see on many more occasions.
