The Premises:

Nice flat just off Hyde Park; clean, with decent bathroom / shower. Comfortable bed.

The Lady:

Photos are generally accurate, though a little photo-shopped (no surprise). Very attractive girl, excellent figure, and she knows how to use it to her COMPLETE advantage. Tits not quite as nice as depicted in the photos (again, no surprise) but well worth a bit of time and attention as she responds quite nicely.

The Story:

Monique met me like an old friend, and the chemistry was almost instantaneous. I took a quick shower, and then we got down to business (or, more accurately, pleasure). She gives a decent OWO (not the best I've had), but she does all the right things. She enjoys DATY, and her juices flow nice and sweet. She gives a great inter-session message, just to keep things moving along, and the sex is pretty good as well.

I've seen both Monique and Raisa (who live in the same flat), and I think Monique is the better punt. Would be interesting to see them together and treat it like a "competition".
