The Premises:

It was my first visit to Indian Palace. I was given a very detailed direction to the flat. This is located very close to the Marylebone Station. The place was clean.

The Lady:

Devi was amazingly beautiful. I was stunned for sometime just looking at her. I did tell her that she reminded me of an Indian actress Sonali Bhandre. She is tall and has lovely firm boobs.

The Story:

She opened the doors in a long gown and took me into a small but comfy room. I was quite mesmerized by her beauty. She is a great talker too. She speaks good hindi/urdu as well. She did wake me up from mesmerized state reminding me to go further than just looking at her. She did slowly start kissing me. I loved the way she slowly opens her gown and exposes her assets little by little. She gave an amazing blowjob with the covers on. I must say she had a very small waist and large hip. Just loved her cute and large bums. I must say she was the best punt i have had. She was always wanting to please you and go the extra mile to make you happy.
