### The Lady:

Holly is a blonde, 40s,BBW. About size 18, possibly a little more after Christmas feasting. Very large breasts, GG or may be HH as she calls them Harriet & Hannah

### The Story:

I have been trying to see Holly for a few months. I could not get her before Christmas but managed to fix up a meet on my first day back at work.

Holly met me in a LBD under which was a basque with 6 strap suspenders and sheer stockings, just what I love to see.

After some cuddling and snogging I gave her a good licking and some multi point stimulation. Then on to anal mish. It was great to see from Holly's facial expressions that she was really enjoying it.

After a short recovery break Holly gave me and my balls a very sloppy blow job. Then when I was rock hard she knelt at the edge of the bed to enable me to indulge in a good long session of more anal. Holly was very relaxed and I slipped in easily without any fuss or trouble.

Afterwards, as we were lying chatting, I was so relaxed I started to get firm again and Holly was happy to take me in her mouth again to get me hard and rubber up for some vaginal mish and doggy. I could have gone on all night but as it was our first meeting I did not want to out stay my welcome so withdrew gracefully and went home a happy man.
