The Premises:

Well kitted-out purpose built facility on an industrial estate near Bury town centre.

The Lady:

Demi is a tall slim athletic brunette in her mid-late 20's.

She has a certain natural beauty which is quite striking when you meet her.

She also is quite pretty facially.

The Story:

I have always found women from the Manchester area quite attractive. The female Manc accent I find to be quite seductive.

Demi's accent I found difficult to pinpoint at first, but she told me that she had lived in a few different places.

What struck me most about her was her confidence as we walked along the corridor. Not only that Demi is an eye-catching lass (she has lovely eyes), it was the graceful way she walked as I followed her to the room.

This is a very sexy lady, treat her well and she will reward you.
Time spent in her company is a delight.

She has magnificent legs and a very shapely firm backside.
I could have ran my fingers up and down them for hours.

If you like busty babes too ... Demi is the lass to see.
Shagging her was brilliant and quite vigorous too.
As you'd expect with an athletic lass.

All in all Demi is magnificent. Well worth seeing.
