### The Premises:

This modern top floor flat is located about a 5 minute walk from Aldgate or Aldgate East tube stations. It has shower facilities.

### The Lady:

A dark haired Polish girl who is a dress size 8 with 34c breasts. She was wearing tan coloured hold up stockings for my visit.

### The Story:

A very enjoyable visit. Venus is intelligent and friendly which makes a big difference. The punt started with uncovered oral and then covered sex from behind with me standing. On my request I ended the punt by taking off the condom and coming over Venus's delightful bum.
