The Premises:

Flat on Welford Road. Room was nice and clean and warm, although a little dark due to Mia not liking too much light so only using candles. Felt safe and discrete. I walked but there is parking available in lots of side streets, and parking available at a nearby Homebase/Halfords retail park.

The Lady:

Tall at 5' 11" with a slim (probably size 8) figure. Young lady, probably in her early 20's, with a fantastic figure and Mia is also a very attractive lady. Blonde shoulder length hair.

The Story:

Don't like to reveal too much about a lady but Mia made me feel perfectly at ease straight away. She has a stunning figure and I will say she is VERY good at oral and does something sexy and sensual with her tongue on the end of your "fella". I am very much a boob man and Mia has beautiful pert tits with very suckable nipples, so it was a slight disappointment that I couldn't play with and suck them as much as I would have liked, due to Mia saying that her nipples were very sensitive. That being said, it was a very nice visit with one of the most attractive ladies I've seen for a long time.
