The Premises:

Clean and tidy modern flat with parking outside.

The Lady:

Petite Chinese lady about 5' 2", says she is in her late forties but much younger in appearance. Has nice soft pale skin.

The Story:

Greeted with a warm kiss and lead to bedroom where further kissing and mutual caressing was followed by her gradually undressing herself and me.

Proceeded to bed and further exploration of each others bodies. She performed slow and most enjoyable oral on me and I returned the favour which she seemed to enjoy. We eventually proceeded to intercourse missionary style and after a few minutes I came to a very satisfactory conclusion. We lay together and chatted for a while until it was time for me to leave.

That is the bare bones of the event but let me say that Mimi is sexy, kind and very nice company. I look forward to further visits and getting to know her better.
