### The Premises:

Summer's flat is close to Edgware Road there is a nice pub round the corner where you can have a drink if you are early.

### The Lady:

Summer is one of the most beautiful submissive girls I have ever met in punting or out. Nice body with pale skin which is the best for spanking. Very friendly attitude which makes me horny and in the mood for giving her a good spanking.

### The Story:

Summer made me feel welcome and once money was out of the way she immediately started the role-play, asking how she could serve me, and lowering her eyes submissively.

Her dungeon has some reasonable equipment but this time I just wanted to spank her bottom with my hands. On my command she lifted her skirts and let me explore her butt, she was wearing no panties so I had to punish her with some light spanking which got heavier. I also could use the cane on her. Her ass was red by the time I was finished. By this time I was very horny so I made her strip bare and came on her tits.

No anal on the menu is the only thing missing. But if you want to spank a pretty girl, you must see Summer every time.
