The Premises:

A stylish, comfortable and clean mews house in Belgravia. Posh!! Not far from Victoria tube.

The Lady:

Not exactly like her pics (photoshop!), but still very sexy and shapely. Lovely soft tits with pointy nipples and round ass. She was very clean with soft smooth skin and smelt like heaven. Emily is friendly and amazing fun.

The Story:

Was in Central London for a few hours and decided at short notice I wanted to see someone. I rang around a few agencies (most of the girls I asked about were away) but luck was in James at Dior Escorts said I should see Emily and he told me he would arrange and ring back. Within 5 minutes she was booked. I made my way over to Belgravia and arrived at the door of the given address.

Emily was wearing a black dress and high heels, her ass and tits giving her a sexy hourglass figure.

Straight to the bedroom and I knew Emily was horny, she hadn't seen anyone for a few days for Christmas. I won't go into too much details. But she orgasmed when I licked her pussy and tweaked her hard pointy nipples - her legs clamping around my head as she did.

Her blow job was probably the best I have ever had, the way her fingers tickled my balls and arsehole while she sucked me off was just unbelievable. She needs to teach some of the other girls how to do this!

Afterwards I had a shower and a chat with Emily. She has a friend for duos, who was away for Christmas. I will be back. Probably for both!

Thanks Emily (xx) and thanks to James for a great recommendation!!

Mamma mia! (you'll understand when you see her!)
