The Premises:

A known hotel near Earls Court station. Clean and tidy, the only problem is the reception, just in front of the elevator

The Lady:

Tess is slightly bigger than in the pictures, but i think it was just me looking for something that it wasn't and not reading the profile (she is a 12, as the profile says).

Apart from that, she is fun and she ensures that you have a good, good time. Others must learn that from her.

The Story:

Arrived on time to the room and Tess welcomed me with a hot kiss. Sort out the finances, a quick shower (as i already got one) and went down to the business.

Excellent oral skills, she did not stop to say how big my tool was, and she was clearly enjoying -as i was!!-. Just before cum, managed to hold on to start a deep action. A few minutes later she started to move in a way never experienced and i exploded.

Did not got a second round but stayed with her taking a nice massage.
