The Premises:

A basement flat down the Earls court area. Place looks safe, but it's just me, but i don't like the basements. Also the shower was big, but old.

The Lady:

Lexi is more or less like the pictures, but looked a bit tired. Big melons but with an ugly mark of having surgery. The rest was good, nice arse and petite lady

The Story:

I think we did not connect. After sorting out the finances i went to the shower and then start the action back in the dorm.

Very very good oral skills, the girl tried her best and almost cum in her mouth, but then we put the condom and i started to give her all my best. Then i felt that there is no connection, she faked the action and i did not enjoyed. After cumming i went home, part nervous, part dissapointed.
