The Premises:

Plenty of parking spaces, usually, in safe area, although on a busy shopping day like Saturdays or in the run up to Xmas you might find it difficult to find a space. Access to block seems fairly discreet and the place itself is clean and nicely furnished.

The Lady:

I was delighted to see Carla again as she is well worth a 2nd (or 3rd or 4th visit). She looks just as great as her photos with a pretty face and a fantastic body. Just as important is her warm, friendly personality.

The Story:

On both occasions she has made me feel welcome from the minute I enter the room till the time I leave. I am not going to say what we got up to but I certainly felt satisfied afterwards. I am sure she provides all the services that are advertised on her profile. You should definitely pay her a visit.
