The Premises:

Decent flat in a low multi-storey building in Notting Hill. Easy to find, discreet entrance, small bedroom, shower with some water problems but worked after a few tries to get it warm.

The Lady:

Sabrina: Nice looking, slim but feminine Asian girl with 34B, almost C bust size. Very nice and soft enhanced tits, nice round ass. Age is given as 22 but probably late 20s. Photos on website are slightly touched up but won't disappoint you.

Lilly: Young Asian girl with very small tits and boyish figure. Age given as 25 which is not far off. Charismatic smile. Photos on website are slightly touched up but won't disappoint you.

The Story:

I had contacted Ben after a few very good prior experiences. See my other FRs. What I wanted was a duo for DFK, A-levels, rimming and lesbian action. Ben recommended Sabrina and Lilly but told me after consulting them that they would not be doing lesbian. I was ok with that as the other services were more important for to me for this visit.

I got there on time and was greeted in a friendly manner. Girls dressed sexy but nothing very special. Typical Asian giggling and a warm welcome kiss from both. I showered and joined them in the small bedroom.

Great DFK by Lilly. Sabrina was holding back. She did not really open her mouth fully for tongue action. After a while that improved a bit although I had a better time sucking her very nice tits. Lilly gave me great OWO. They then produced a dildo and shoved it up my ass. Nice action with dildo and OWO to follow from both. I went back to playing with Sabrina's tits and some (still half-hearted) kissing. Lilly working my ass with her fingers and dildo and sucking my cock. I asked for rimming which she ignored. I then switched the girls around. DFK with Lilly and Sabrina sucking me. Lily was totally into DFK and all over me. Great. Sabrina doing nice things down below (OWO and fingering) but when I requested rimming, she did not do it either. I did not insist as I did not want to destroy the atmosphere but it was a bit disappointing that both ignored my requests even though it had been clearly stated when booking. We then switched positions around a few times and I was ready for A-action but not the girls. At that point I could have possibly just grabbed one of them and gone ahead but it would have felt forced. I then thought that best climax would be DFK with Lilly with Sabrina

sucking me off and fingering my ass. We did that. It was great.

So, while I got a great orgasm out of this visit and nice duo OWO action and ass fingering, I got neither rimming nor A-levels. That was despite my clear request and really disappointing.

I liked Lilly for DFK (Sabrina less so), Sabrina for tit sucking (Lilly less) and both for OWO. A pity no A-levels or rimming was given despite my requests. They work together nicely but are not into lesbian action (as Ben had warned me in advance, so ok for me).

My recommendation depends on what you want: recommended for duo girl action with DFK (esp Lilly) and OWO (both), not recommended for the rest.

I'll still use Asian Options for another go at duo A-level and rimming action. But Ben needs to understand that his clients expect the girls to fulfill the booking arrangements.
