The Story:

This was the third time that I have met up with Cristal. She is such a lovely person and so easy to get on with. The communication to set up a visit is handled very promptly and efficiently and she always turns up on time and appropriately dressed so as not to allow any hotel staff being suspicious. When she is in the room with you, she is just sexy as hell. Cristal is a very passionate lady and her kisses are just incredible - you cannot fail to get aroused. I don't want to go into great details of the activities that we enjoyed, however her oral technique is amazing. She has also got a nice collection of toys which she uses to great effect to increase her pleasure (ps Cristal, you must remember to charge them up before our next meeting !!) Other than the amorous activities, I could quite happily spend many hours talking to this lady as she is so intelligent and interesting. In fact if I was a much younger man, I would probably have fallen madly in love with her by now !! If I had to give up this hobby tomorrow then I would have least gone out on a very high level of satisfaction. Thank you so much for a great evening Cristal. Look forward to seeing you again sometime.
