The Lady:

Seems taller than her claimed 5'4" but that may have been the heels! In any case, slim, blond and gorgeous. Early 20's. She's on the other site (AW) as "busty Anita". There's no doubt that the photo's are of her (although I think she's far better looking in the flesh) but her boobs have shrunk a bit since the pictures were taken. No problem for me as I'm not a boob man at all but if you are, you may be disappointed!

The Story:

To be honest, I wasn't expecting much. I've had quite a few bad punts courtesy of Adultwork but there wasn't any recent activity from the PunterNet community around Coventry so I took a chance.... Very glad I did as Anita is rare find.

When she answered the door, I was immediately struck by how beautiful she is. She showed me upstairs, offered me a drink and we got the paperwork out of the way. I had only opted for the 1/2 hour because as previously mentioned, I wasn't expecting anything great. As soon as she'd deposited the funds, she returned gave me a long and lingering DFK and got straight onto her knees, freed the old man and commenced OWO! Not a bad start I thought. We progressed to the bed where she continued to suck for Poland. At some point, I managed to get into a 69 so I could reciprocate. Anita progressed round to my balls and then to rim me which was a pleasant surprise. As she was so good at what she was doing, I forgot about the time until she gently reminded me that I needed to think about completion. That was no problem as having a gorgeous blond back on her knees and sucking my cock soon sent me over the edge. She took it all in her mouth and I at first thought she'd swallowed as well but she did in fact discretely spit into a tissue. We chatted while I dressed and I promised to return.

So, brilliant value and even better if you go for the hour. She offers A levels at £20 extra and I'll be sure to save up.

Treat her well.
