The Story:

I had read a couple of reviews of this lady and it sounded as though she was just what I was looking for. Devi opened the door when I arrived and took me straight to the room. She started kissing me, which quickly got me in the mood. Then she went down on my and gave me a lovely blowjob. The hour seemed to race past and all too soon it was over. I'm only occasionally in the area, but next time I'm here I'll be sure to come back again. She really is a delightful lady.
