The Premises:

Just behind a row of shops. Has it's own discrete back entrance and car park.
Well appointed with showers and fresh towels

The Lady:

About 5'7" tall with a slim build she is a very attractive blonde in her mid-20's.

Collette has a perky set of 'Double-D's (she informed me that she has just recently had them enhanced. They are a perfect handful).

She also has a sexy Manchester accent too.

The Story:

What can I say about this big sexy babe ...?

As soon as she walked into the room I thought to myself ...

'ohh yes ... delicious ...!'

It was and she is.

Collette is a gorgeous girl with fabulous well-toned legs add to that a very cute backside (my kind of lass really).

It was a chilly wintry day, and her first words were:

... 'I'm freezing I hope you can warm me up'

Well I was more than happy to assist her with that.

Starting of with some cuddling and kissing, Collette's skin is lovely to touch (and she tastes good too (especially the insides of her thighs which I enjoyed kissing my way up)). On with the condom and we got going.

Collette gave me a womanly gasp as I penetrated her (I just love it when beautiful lasses make that sound).

This tasty blonde is well worth seeing. I can still taste her on my lips now (even several hours after I saw her this afternoon).

Ideal way to warm-up a cold January day.
Fantastic time ... thanks honey.
