After finances Carmen started to kiss me gently at first and then on to dfk this girl is a wonderful kisser ,she then when slowly down my body gently kissing until she got to my cock ,Carmen oral skills are excellent after a lot of very nice oral we lay on the bed a little more kissing then on with the condom and she came on top of me and rode me slow at first then faster always looking at me with those eyes . We then changed to doggy and Carmen was thrusting her pussy on to my cock .she was moaning softly as I pump away it was not long untill I shot me load , after a little chat a quite nice massage she began to suck me again I was soon hard she kept sucking and licking up and down the shaft around the balls , I could hold back no more at shot my load over her neck and body , what a girl clean me up after a little chat i was on my way
