### The Premises:

Modern flat on Park Central estate, just off Bristol Street. Easy to find. Parked directly outside her apartment although was somewhat wary about doing so in view of sign which says residents parking 7am to 11PM. Roxy assured me this was to deter long term parking not short term visitors.

### The Lady:

AW profile states she's 22, 5' 7", dress size 6 and 32B with long black hair. Wouldn't argue with any of that. Pictures on the profile are accurate.

Spoke with very sexy Eastern European accent and told me she's half turkish, half Romanian.

### The Story:

The booking process was a complete pain in the ass. Called at 11:20 to request appointment at 12:00. Told to ring back in 20 minutes which I did. Asked her to text me the address which did straight away - Street name and post code only. Got to the street and rang again to get full address and was told the block number and to ring again when I was outside for the apartment number. Decided that this did not bode well for the appointment itself and considered aborting and trying to get a short notice booking with one of the Thai girls who live nearby. However, as I was on a limited time schedule I decided to go ahead.

Roxy's flat was clean and the bedroom functional if a little sparsely furnished. Handed over the paperwork and was told to undress - again, not a good sign.

When we were both undressed, we got on to the bed. A quick fondle from Roxy to get my erection going then straight on with the condom for oral. A couple of minutes of oral (not unpleasant) then she climbed on top and proceed to fuck me quite energetically - again, not at all unpleasant. Kept this up for a few minutes before I asked for doggy which she duly obliged until I came.

Got dressed and was back on the road within 15 minutes.

All in all, not a bad punt but could have been so much better with some kissing and OWO. To be fair to her, however, neither of these are on her likes list so perhaps I should have gone elsewhere.
