The Premises:

Located in a basement with discrete rear entrance (and parking for cars off the road).
Decent place with reasonable rooms (showers with fresh towels).

Receptionist is also friendly and welcoming.

The Lady:

Slim, late-20's blonde about 5'6" in height. She is also quite pretty facially with a well-rounded backside.

Pictures on her profile are accurate (however she looks much better when you meet her in person).
Local accent.

The Story:

Katie is a lovely lass with exquisite smooth skin and a slender shapely figure.
She tastes nice too (just the way a woman should really).

She told me she used to be a gym instructor, but gave it up due to an injury.
However she is still quite fit, we had quite energetic sex.

I would recommend having sex with Katie in the cowgirl position so you can watch this tasty blonde's gorgeous eyes smile at you as she is bouncing up and down (whilst you grab a hold of that cute bum of hers).

Katie is also quite vocal whilst shagging ...

... as you know from my previous posts
I find women with Northern English accents quite seductive.

Having Katie insistently telling me to ...
... 'foook me harder' ...
... was amazing.

Worth every penny just for that sexy Northern English voice of hers urging me on ...!!!

This lady is definitely worth making the effort with, but next time I think I will ...
... drink some 'Red Bull' as Katie enjoys a vigorous shag.
