The Lady:

Quite stunning and curvaceous slim tall (165cm) princess with an excellently erotic yet tasteful dress sense. I saw her coming across the car park in a long black dress with a split right up one side and I could not believe my luck. I was already getting a hard-on!

The Story:

I have sampled many resorts in different countries and I have to say that Lara Brooks is by far and away the best I have ever met. She combines a voracious sexual appetite with an exquisite personality but she is every inch a lady and must and indeed richly deserves to be treated as such. She describes herself as a girlfriend without the hassle and that is how she behaves if you treat her as such.

I took this gorgeous creature for a most enjoyable dinner which was quite a good laugh (we share a wicked sense of humour) after which I took her for a drive during which she gradually took off her clothes getting herself (and me!) deliciously turned on. Eventually when we could take this build-up no longer we stopped in a secluded spot where Lara asked me to take her on the bonnet of the car. Afterwards we returned to the hotel for more...

Treat this lovely lady like the princess she is and you may have the night of your dreams.

Incidentally she does not normally perform on car bonnets, that being a moment of frenzied erotic madness.
