The Premises:

Nice smart flat in a good neighbourhood and easy to get to.

The Lady:

As she appears on her webpage. Very attractive tall, classy, slim woman with pert breasts with prominent nipples and aureolae, lovely legs, labia &c. Not a girl, but a woman "in her prime". Her English is perfect and she is an interesting person to chat to.

The Story:

Quite one of the best times I have had with a WG. She clearly enjoys her listed enjoys. No point going into great details as I am sure she tailors her services to her clients wishes. I am confident she will ensure you have a superb time, as all her ratings confirm. I cannot wait to repeat the experience. Might try a duo with one of her friends. Must be one of the best value WGs in London if you are into slightly older women.
