The Story:

Needed some relief so got the car out and travelled to Ego booked an hour with Lottie a.d what a good decision. On arrival had to wait along with 2 other girl's waiting for their guests. Lottie came and collected me a.d I got the small room with a dodgy shower. Now Lottie has a voice that is a bit different but once the massage started that was no problem. It was just right pressure wise and when she got to my bum just had to open my legs and I don't know what exactly she did but my bum came off the couch to give her more room and to make my cock more comfortable! The body to body was sublime. Turned over and I could see her doing her thing wonderful. Plenty of oil and more body to body and her hands on my cock were brilliant then the happy ending now that was a surprise as at my age little Dave has a mind of his own and prefers my hands to finish but miracles happen and Lottie's hands milked me dry.

If you can ignore the quirky voice you will have a great time I would / will revisit.
