The Premises:

Nice ground floor flat on a main street with a bright small room with nice shower facilities.

The Lady:

Corale with her mesmerizing green eyes, model face, cute smile and natural flawless body/complexion - could easily be a supermodel. I would compare her to a hot young Megan Fox.

The Story:

Corale is one in a million if not more. [Please see my previous review for her under Coral and also as Julietta] Have seen her multiple times in each of her 4-5 visits to London and this trip was no exception. Not only is she gorgeous to look at but does most things with enthusiasm - DFK, OWO and sex in various positions. Please note I am a good looking, fit guy in his 30s. The only criticism was that like most girls when they get adjusted to the profession overuse of lube was a bit of an issue - otherwise top class as always. Highly highly recommend.
