The Story:

I booked Adele a couple of days before as I know she is very popular, and having spent a wonderful hour with her I can see why!

She entered the room dressed in lovely lingerie and gave me a lovely deep kiss. A shower was offered and accepted.

Upon return we kissed again and asked if I had anything in mind. I replied that my tastes are quite simple to date but I would like to perhaps push my boundries. " I think we can try that" was Adele's reply.

I won't go into full details as that was between myself and Adele, but she made a nervous man very comfortable and gave everything I asked for.

During a break between rounds we talked about her homeland and her return there over the new year.

Round two pushed and broke my boundries and I am no longer a virgin of any kind.

A truley wonderfull way to spend an hour in the relaxed company of beautiful lady who certainly knows how to please a man.

Adele, if you read this, thank you for helping me TWO things off my bucket list.

I will, I've no doubt, see you again soon.
