The Lady:

May is 5'5" with long straight black hair. She was wearing a figure right black dress with slits all down each side. She has bright eyes and she met me with a beaming smile. At first glance she looked very sexy and such a tidy little package. The pix on the website are of her, but the one where she's wearing a pink bra are the best approximation to how she is in real life

The Story:

I bounded up the stairs to the 6th floor to Mays flat (there was a lift - but I thought that it was a service lift!). I was a little out of breath when I got to her front door, but more than pleased when set eyes on her in her hallway. She was so delightful to hold on such a freezing day

After clinching and kissing (on the lips) May offered me a shower. I asked if she would join me and she said yes. But by now I had realised that her limited use of English meant that understanding between us was gonna be limited. Once naked I followed her to the bathroom. The shower itself is a facility which had seen better days. Still wearing her sexy back dress she invited me to step into the bath. This I did, and it became apparent that this would be no shared shower as she, with one hand, used the shower head to wet me whilst she lathered me down with her other hand, front and back. That done, I stepped outta the bath and prepared to join her in the main room.

Once in the room I flung the towel to one side and May came to face me. We kissed on the lips and she said "shall I take this off"? As I nodded my consent, May whipped her one piece up over her head. She stood naked before me, and wow did she look stunning. As she knelt on the bed, I knelt on the floor before her and immediately started tonguing her fanny. I spent 5 glorious mins giving her RO from behind. This led to an exquisite OWO then 69. As I felt the sap starting to rise, I suggested A and May got ready with the condom and lube and I took her in mish, reverse CG and CG. This felt so good and I felt her breasts as she rode me. May got off of me and took the condom off and then got into a 69 position. I tried to position her for CIM but the sap rose quickly and I jizzed too soon.

R2 started with a methodical Thai massage eventually leading to an oily HJ and I erupted into my 2nd orgasm. When May returned from the bathroom she indicated that the session was over, and after 2 satisfying orgasms there was nothing to be gained by asking for the remaining 5mins of cuddling. So I dragged myself off of her bed and staggered my way down to the Weatherspoons for some recuperation.

May is a lovely girl who ensures that you have a great time with her. I certainly will be returning
