The Premises:

Ego massage has been well reported on by many people. My only additional comment is that now the showers are better than before but still far from perfect.

The Lady:

JJ is quite small but has a perfect body. She is fit and well toned but slim. In all a pocket rocket, my favourite girl at Ego.

The Story:

Went for the body to body as usual. The massage from JJ was deep and relaxing, and the body to body excellent as usual. When the massage was finished she has this trick of lightly running her fingers over you body and this always has my nerves tingling, one of the most erotic things I have experienced. Finished with the usual happy ending.

I wish I could take JJ home and she could massage me everyday.
