The Premises:

Street entrance is open and leads to flight of stairs leading to door of parlour which is opened by the receptionist, once you have rung the bell.

Inside is clean and very tidy, comfy waiting room has two large sofas and there is a television to keep you occupied if you have to wait for the lady of your choice.

The room I was in was spacious with a large double bed and for a change reasonably well lit. En suite shower was not the best but adequate. There was also a chair for my clothes, many places neglect this and you end up with all you stuff on the floor in a heap.

The Lady:

Bubbly and talkative Liverpoolian blonde, though this she did divulge was a wig.

Pictures and description on the website are reasonably accurate except she is nearer 5'5 than the 5'8 quoted, but this is a minor point.

The Story:

Called in to Brooklyn's on spec, having checked on the website who was on the rota for today, Elisha was the only girl who was available within a reasonable time frame, so waited for her. Once she became free and had introduced herself I was escorted (sic) to the room by the maid, who relieved me of my £40. I then took a quick shower, before Elisha appeared, having dried off I lay on the bed and Elisha proceeded to give me an excellent massage, during which we had an interesting conversation.

Turned over and Elisha got my cock in her hand straight away and is forcing her mouth to mine for some kissing, during which she asks if I want any extras, I go for RO and OW. (additional £20) More kissing as she plays with me, then I get her to lie down so that I can lick her pussy, here I have to say that I found this to be frustrating as I was never able to get right into her cunt, even though she made all the right noises I gave it up as a bad job fairly soon.

So we swapped round and Elisha went to work on me, now personally this was excellent, just how I like to be fellated. During this I thought I might get a better go at licking her pussy if we 69'd, but this still didn't work very well.

So on to the sex, condom on and into missionary to start, planned to follow up with Elisha on top but, the old fella decided not to play and refused to stand up at this point, Elisha then offered me some more oral, which was accepted then I took over whilst she licked my balls, then I get her to play with herself and when she offered to use one of her toys this was readily agreed to. As Elisha stuffed her pussy with her rabbit I wanked myself to completion.

In conclusion I would have given Elisha a yes recommendation had it not been for the poor reverse oral, but rest of the service keeps her from getting a no mark.
