# The Premises:

Easily accessible with cheap parking (40p per hour) very close by.

# The Lady:

More lovely than her photos with a gorgeous figure and wonderful natural assets.

# The Story:

Was greeted very warmly by this lovely and charming young lady. She exceeded all my expectations and showed my some things that I have never experienced before. The ending was more than I could have hoped for. She is a very warm and friendly person and made it all seem unlike a commercial transaction (in fact she forgot to ask for the fee and I had to remind her before departing).I am left with some wonderful memories and hope to see her again. I cannot recommend her too highly.
