The Premises:

Danna has a small, clean, self contained flat in a commercial area very close to a tube station. Very easy for me to get to. Small bathroom and shower off the bed room

The Lady:

Naughty Danna is a lovely slim young lady around 30. Fit toned body with long black hair. Although not her first language, Danna speaks very good English.

The Story:

An appointment was arranged the day before and I knew where I was going due to good directions. Unfortunately I arrived late due to train problems but that was no problem to Danna.

Danna met me in a tight LBD with stockings and put her heels on when we were in the living room. She looked gorgeous and as soon as my coat was hung up she was snogging me and playing with me through my trousers. We went into her bedroom where she insisted on undressing me. A nice old fashioned touch.

I lay back on the bed and she sucked my by now rock hard cock, I was about to explode so she covered me, took off her knicks, lifted up the dress and sat on my cock, reverse cow girl. I did not last long!

Next the dress came off and I gave her sweet little pussy a good long licking. Then she gave me a good sloppy BJ, with lots of eye contact. Once I was rock hard she covered me up, lubed me and then bent over on the edge of the bed so I could enjoy a long session of anal in her pert little bum.

As I am getting old I did not cum, but after I withdrew there was more excellent oral and handwork resulting in me manging a little dribble over her cute little tits.

I left happy I had eventually met Danna and I am sure I will be stopping off on the way home again sometime to see her.
