Well known central MK town house.

### The Lady:

Black Liverpoolian women. Size 12 at best, very flabby and soft.

### The Story:

Found a slim toned black girl on the website but was disappointed for a second time in a row with Annabellas. Shantelle was the opposite of toned, large and saggy. I felt she was going through the motions, starting with a half arsed back 'massage', followed by a lazy bj. After 5 minute bj on she got for a shag. I swear I didn't touch the sides as she bounced up and down. I just wanted to blow my load and get out. So £120 for a 15 minute fuck.
