### The Story:

I may have the date wrong as it was a couple of weeks ago but I just had another crappy punt so I thought I'd do both reviews at the same time. Again the description and photo was nothing like the girl. Parissa on the website is a very slim toned blonde - just what I was after. However what came into the room was a heavier brunette who on seeing my reaction immediately said she had changed the colour of her hair recently and also 'needs to go to the gym'. What!? She looked 2 or 3 stone heavier and a different hair colour, as you can't see their faces what's the point of the pictures at all!!

She was a perfectly nice girl and did a good job but she was not who I booked so I can't recommend her. I used to go out of my way to go to annabelles as the girls are really nice and look like the photos, has the management changed ?
