The Premises:

A flat in in Central, bathroom is poor so there's no shower on offer but the place is ok otherwise.

The Lady:

Indian looking girl, might not be but seemed genuine enough.

The Story:

She was good looking, slim and had an excellent manor, she doesn't kiss and as expected from Indian Palace there's no extra's. Good punt though, she had a tight little cunt and was good fun, a little tame but fun anyway. Would be good to see owo at the very least from Indian Palace, good girls but could be better still
