The Premises:

TJs is in a discreet location and there is easy off-street parking. The place is always clean, friendly, laid-back and welcoming.

The Lady:

Celeste is a beautiful, petite, mixed race young woman. She is outgoing and very witty!

The Story:

I was feeling nervous, not having seen Celeste for a long time. But she was the right choice for me as we have met many times and she is aware of my problem. I knew that she would be understanding as well as giving me a full-on passionate GFE.

I phoned TJs on the way and was fortunate enough to be her first client of the day which I always prefer. When I went into the parlour, workmen were there carrying out the refurbishment which only added to the usual lively, fun-filled, welcoming atmosphere that is TJs!

Celeste was in reception and looked gorgeous as always. After the customary exchange of banter, I put my arm round her slim waist, drew her towards me and gave her a kiss.

She showed me into the room behind reception, let me have a quick shower (excellent new shower!) then joined me 5 minutes later.

We French kissed tenderly standing up then moved onto the bed. I asked her to strip off and lie beside me. We continued our lovely kissing interspersed with some catching up chat. I spent time sucking her breasts which seemed to turn her on.

I had decided beforehand that I wanted this to be a relaxed, no-rush experience with me focussing on giving Celeste pleasure in order to take the pressure off my own performance. So I gradually moved down her beautiful body, planting little kisses on the way and settling into position to give her oral. She was soon making encouraging sounds of pleasure, now and then directing me softly how and where she liked it best. I was loving this too and remember thinking how clean and sweet smelling she is down there. Eventually Celeste began moving her hips, gripping my head and moaning till she came noisily. I stayed there for a while, allowing us both to savour the moment. She then said what a good start to the day that was.

She said she would now return the favour. I lay back and at this point my cock was small as she began to give me oral. I tried to relax and not worry whether I was going to get hard enough for sex but just abandoned myself to Celeste's magic till I eventually came.

When I climaxed my cock felt as if it was still soft but I looked up and saw it had grown. Celeste said that next time we should be able to have full sex as we have always done before . I checked the time and we still had 10 minutes left which we spent chatting, cuddling, kissing then me giving her a massage.

It had been a lovely, relaxed, unrushed, perfect GFE with my favourite girl. I said my goodbyes with a parting kiss and promised to see her in a fortnight.

Despite Celeste's reputation for raunchiness and, dare I say, a filthy mind, she also has this gentler, more loving side to her nature which may suit nervous first timers or those needing a confidence boost.
