The Premises:

Easy to find, clean, safe, nice mood lighting and ambient. Most welcoming and relaxing.

The Lady:

A beautiful hot tight young girl, flirtatious, funny, drop dead sexyHad to do a double take cos Agi is way more hot than the photos. Met at the door in with a big kiss full on so immediately at ease, while trying to glance the most delicious curves beneath wispy lingerie, I was rumbled and she noticed and smiled and said "Come baby", while swaying her hips and thighs. So entrancing and a heavenly treasure to behold! If only every night one could come home to such a devine treasure with such a sweet bum you would follow anywhere!.

The Story:

I have tried to compare the service from the many delights of Miss Peachy's girls as a frequent traveller, but none in the current scene can compare to the delicious delights of Agi. A young gem, nubile, flexible and a lot of fun. Don't miss out, I will be back as soon as possible! An absolutely dream teen tight body and a sexy sassy way, you can't go wrong - particularly when she is wet and horny, Agi can't get enough. A must and a return for sure. Thank you Agi, cream delights as promised next time, thank you Miss Peachy as ever for a wonderful punt.
